## VIP AREA regulations

. The acquisition of the VIP AREA service does not imply access to the water park. You must have a valid ticket for the same day. Each of the occupants of the VIP AREA must have a ticket for the water park.

. Once the VIP AREA service is purchased, each member of the group will be identified with a bracelet. This bracelet is personal and non-transferable.

. Access to facilities classified as "VIP AREA" will be restricted only to members of the group accredited as such. Access is not allowed without the corresponding accreditation.

. The acquisition of the VIP AREA service is not exchangeable for its monetary value and does not admit returns. The services it offers may suffer some alteration as a result of inclement weather, logistics or operations. In each case, the best solution will be studied.

. The VIP AREA service does not give access to any other advantages that are not included in the characteristics of the service.

. The rules of internal use and regulations of the park itself must be respected at all times.

. Failure to comply with the regulations, misuse, manipulation or any other fraudulent behavior may lead to the cancellation of the service.

. Those under 18 years of age will not be able to consume any beverage containing alcohol. The park is not responsible for the behavior and supervision that derives from the guardianship of minors.

. The park is not responsible for belongings left or forgotten inside the VIP AREA.

. Depending on the modality of the VIP AREA Service, this may influence the Fast Pass Water World Service. This will be subject to

the corresponding regulations of the service itself.

. The purchase of the VIP AREA service gives access to a 20% discount on restaurants and souvenir from our stores. This discount can only be applied to users or groups included in the VIP AREA service.

. The park reserves the right and consent to vary, modify or extend any of these regulations at any time.
