

We present you the "Special Pass!"

If you have enjoyed the experience, the same day of your visit you get the Special Pass and come back to Aquadiver or visit Water World for only 12 €!

What's this?

The Special Pass is a personal and non-transferable entry valid for any one day of the 2023 season for Water World or Aquadiver.

How can I get it?

To get the Special Pass, on the day of your visit you should go to the Aquadiver promotion point before 5 p.m. in June & September and before 6 p.m. in July & August. There, they will take your personal information, your fingerprint and will give you a ticket.

How much is it?

The price of the Special Pass is 12 € per person.

How do I use it?

To access the park, on the day of your second visit you should go to the entrance of the park where they will scan your fingerprint with a reader. You must also have the ticket to show it whenever the access control staff request it.

What are the conditions?

All tickets and offers include the possibility of acquiring the Special Pass. Available at The Special Pass point the same day of your visit before 5 p.m. in June & September and before 6 p.m. in July & August. You can buy your Special Pass once in each park.

This promotion is subjected to the capacity of the parks. / No refundable.
Free bus service not included.
